Vampire alert: At last - a job for you!

On Saturday and Sunday 19th and 20th April Glasgow Training are returning to Oxford with their ever popular phlebotomy training course.

Phlebotomists are the skilled healthcare professionals who take your blood. There are no entry requirements or qualifications to start working as a trainee phlebotomist and many people enter the profession when they are looking for a career change. We train people from all walks of life and all ages' experience in the NHS, office manager. We can help you with your career change. We can help you with your career change.

It is a little known fact that there are no formal qualifications for phlebotomists who routinely work in GP Surgeries, Hospitals and Clinics. Once on the NHS phlebotomy career ladder you will find that many people progress to working in the lab.

Many thousands of people trainees are now working in phlebotomy throughout the UK and some have chosen to work abroad where, like the UK, there is a shortage and growing demand for this specialist skill.

If you have or have ever worked in a career in healthcare and like the idea of the job security offered by the NHS then this may be just the job for you. Training

takes place over two full days and culminates in the award of a nationally recognised and accredited certificate. 'We practice on artificial arms' says Anne. 'And all our students have a lot of fun learning. We get a great deal of satisfaction when we later learn that they are working in their local hospital as GP Surgery'.

If you would like to know more about phlebotomy as a career then visit Glasgow Training at www.glasgowtraining.co.uk. A full to the NHS job guide for phlebotomists is also available on the site. To enrol on the April course you can book online or book by telephoning the office on 01235 123007.

Fire escape

MEMBER LOVELL, three people suffered minor burns after a large house caught fire on Monday evening at 5 Upper Red Road.

The residents of the house managed to escape prior to the fire crews arriving and were treated at the scene for burns and for the effects of breathing in smoke.

They were later taken to the Ashes, Epsomville, Hospital for precautionary checks.

Station manager Nick Louche said, "The fire crew faced a challenging problem when it was initially believed that a number of residents were still inside the property."

"Due to the extent of the fires they were able to quickly search the property and the house was brought under control."

The fire is believed to have started accidentally and a fire extinguisher by the fire crew was used.

Sudoku

The objective is to fill a 9x9 grid with digits so that each column, each row, and each of the nine 3x3 sub-grids that compose the grid (also called "boxes", "blocks", "regions", or "sub-squares") contains all of the digits from 1 to 9. The puzzle setter provides a partially completed grid, which for a well-posed puzzle has a unique solution.

Mills hits five as the goals roll in

JOHN MILLS took his goals tally for the season to 40 as he struck an exceptional five from 10 out of 10 in a home demolition of Southern League (League 1) South-West relegation candidates Bishop Cleeve on last Sunday.

Mills netted his first of the afternoon after seven minutes, chipping home a penalty after Chris a Bishop defender was sent off for handling. Jimmy Doherty headed the first.

He struck three more before his first half break, while Doherty got on the scoreboard to help the hosts beat up at the break. Doherty struggled to get going after the restart and Jack Mills pulled a goalkeeping error out of him from the penalty spot after he was fouled by James Hooper.

But with 10 minutes to go, the Bishop keeper opened a goal.

Despite a second Bishop Cleeve goal from Mills, the hosts won 5-1. The Bishop keeper opened a goal.

Although the prolific marksman failed five goals, joint manager Ben Crockett said the whole team were worthy of praise for their efforts.

"Obviously if you score five goals in a game the other side's going to be in a position to score three or four goals."

The Bishop keeper was sent off for handling the first half goal, a penalty taken by Doherty.

And with five games to go, the end of the season. Crockett said the importance of his side's upcoming fixtures.

Five goals for John Mills powered Bishop Cleeve to a 5-1 win over Southern League South-West relegation candidates Bishop Cleeve on last Sunday.

He said: "We've got five cup finals between now and the end of the season, that's five games which will determine whether we're in the play offs or whether we're relegated."
